PRAYERS ON THE SAND (2)

1. Let every particle of this sand carry the fire and glory of God. Let the God of Elijah soak these sand particles in the power of the Holy Ghost. As these particles touch my environment, let them release favour, blessings, breakthroughs, new glorious things, opportunities, joy, salvation, glory, wisdom and enlargement upon my life and environment, in the name of Jesus.
2. Let them also release judgment, confusion, civil war, destruction, scattering, fire, thunder, paralysis, sword of the Lord, and violent angels against every enemy of my life and environment, in the wonder-working name of Jesus.
3. O Lord, enlarge my coasts beyond my wildest dream, in the name of Jesus.
4. Every dark power afflicting my environment, scatter, in the name of Jesus.
5. Glorious light of God, shine on my premises to become a consuming fire and crush every dark presence in my environment, in the name of Jesus.
6. I destroy every evil property and demonic operation in my house, in Jesus' name.
7. All occult covenants binding on my dwelling place be dissolved and rendered impotent, in the name of Jesus.
8. I hold this dust now, O Lord. I put this dust into Your holy and mighty hands. Let this dust carry the electrocuting power and pursuing power to sanitise my environment. Let every habitation of evil altars, coven centres and vagabond evil powers be rendered desolate, in the name of Jesus.
9. Let this dust that I have released render my habitation uninhabitable to eaters of flesh and drinkers of blood. Let this dust travel under the thunder of Your power and destroy every agent and messenger of darkness working against my destiny, in the name of Jesus.
10. By this dust, I render every incantation and satanic utterance made in my environment impotent, in the name of Jesus.
11. As long as these agents of darkness will make contact with the ground, air and water, breathe in air, let dust in the ground, air and water trouble them unto submission or destruction, in the name of Jesus.
12. As long as satanic consultants and contractors will return to the dust, as long as they eat food brought out of the dust of the ground, let their divinations and

survey backfire, in the name of Jesus.

13. O wind, hear the word of the Lord. Carry warfare back to the camp of environmental polluters, environmental witchcraft, environmental sorcerers, environmental familiar spirits, environmental robbers, environmental ritualists, environmental enchanters, environmental diviners, and environmental murderers, in Jesus' name.
14. By this dust, let all handwriting of darkness written against my family and me in darkness be dismantled, in the name of Jesus. Let this dust carry the weapons of war in heaven and evacuate Goliaths, Herods, Pharaohs, and Sennacheribs from my street, city and country by fire, by thunder and by force, in the name of Jesus.
